

Taking tea in the afternoon has been enjoyed since the early 19th century. The Duchess of Bedford is credited with inventing it to fill the long gap between lunch and dinner.

In Ella's our dainty sandwiches and our miniature cakes are hand made in our hotel kitchen. We only use the finest high quality Guernsey cream and butter.

Now why not start with a glass of fizz, choose a tea and sit back

Afternoon Tea

Our Pfunda Tea Estate

Pfunda, Birchall's very own tea estate, is situated in the Western Province of Rwanda. – “the land of a thousand hills” – which in 2011 became the first tea garden in the country to earn Rainforest Alliance certification. It is acknowledged as one of the most inspired and innovative tea gardens in East Africa with a strict adherence to sustainable methods and a singular vision for producing exceptional tea without compromise. Here the tea bushes grow slowly, at high altitude and relatively low temperatures, developing greater flavour before they are individually picked. The estate provides valuable jobs for people in the area and also runs a co-operative for over 2600 farmers.
